

"Jeanie B!, the concert was phenomenal! Kids and adults all loved your music and enthusiasm. I look forward to working with you in the future!"

— Christine Sporleder,  
Bloomington Public Library

"Jeanie B! and The Jelly Beans provided an entertaining, high-energy performance not soon to be forgotten. Parents and children alike could not stop dancing and tapping their toes. Jeanie B! sang original material that was easy to sing along with and kept children engaged for two full hours! We look forward to having [them] back to our stage soon!"

— Erin Wellin, Chicago Botanic Garden

"First Night Evanston was thrilled to have Jeanie B! and The Jelly Beans performing for the second year in a row. [They] put on three amazing energy-filled sets. The room for the two inside sets was filled beyond capacity, but it didn't bother the fans — young or old — who were too busy boogying down to the beats to care about bumping into their neighbor. When the band went outside they kept the crowd dancing and smiling, and left them wanting more. The popularity of her performance spoke for itself. First Night Evanston could not be prouder."

— Corrine Pierog, Manager  
First Night Evanston Festival

"I just wanted to thank you for the wonderful concert! Everyone was thrilled with your performance. It is so fun to see kids of all ages dance, clap and sing to your high-energy music. I am looking forward to having you perform at the park district again and again!"

— Amber Blake, Supervisor of Cultural Arts, Glenview Park District
